For those workers who participate in a traditional pension plan—15 percent of private sector workers and 75 percent State and local government workers—the math exercise doesn't end once you figure out your monthly benefit (often based on earnings and years of service). No matter how the plan calculates your benefit, retirees must have the opportunity to receive periodic payments for life ...

You're getting a pension: What are your payment options ...

When you reach retirement, and if your company provides a pension program, you will be offered a number of payout options. Typically, they will be the Single Life and the Joint Survivor payout options. Single Life pays a higher monthly amount but stops paying once you die, whereas, the Joint Survivor will pay a lower monthly amount but will continue until both you and your spouse are deceased.

Evaluate my company pension payout options

PSPP is a defined benefit pension plan. This means that your pension is based on a set formula and not how much you have paid into the Plan. The pension formula takes into account your pensionable salary and years of service, so the longer you contribute to the Plan and the higher your salary, the larger your pension will be.. If you are looking for a fast way to estimate your pension, the ...

How Your Pension is Calculated - Public Service Pension Plan

If you joined the service on or after January 1, 2018, you were automatically enrolled in the BRS. If you joined between January 1, 2006, and December 31, 2017, you could stay in the legacy system or enroll in the new one. The last day to enroll in the BRS plan was December 31, 2018.
