Gross Pathology of Avian Diseases: Text and Atlas is a new book published by the American Association of Avian pathologists (AAAP). The sections in the book are organized by diseases, which are grouped by etiology. Each section consists of text and pictures of gross lesions.

### **Gross Pathology**

This makes it nearly impossible for students to make correct disease diagnosis. The publisher of this book should invest in higher quality book binding and printing techniques, because the low quality photographs distract from the content of the book. Rather look at: Poultry diseases and meat hygiene: a color atlas by Herenda, D & Franco, D.
