Principles Of Comparative Politics 2nd

The groundbreaking first edition of Principles of Comparative Politics offered the most comprehensive and up-to-date view of the rich world of comparative inquiry, research, and scholarship. Now, this thoroughly revised second edition offers students an even better guide to cross-national comparison and why it matters. The new edition retains its focus on the enduring questions with which scholars grapple, the issues about which consensus has started to emerge, and the tools comparativists ...

Principles of Comparative Politics (International Edition ...

Principles of Comparative Politics provides an introduction to comparative politics. The book has three goals: (i) to introduce students to the major questions in comparative politics; (ii) to acquaint them with the field's best answers to those questions; and (iii) to give them the tools to think critically about the answers.
