Now you can make this easier and filter out the irrelevant results. Restrict your search results using the search tools to find only free Google eBooks.

Quarterblack Shattering The National Football

Quarterblack was released in 1990, but its message still stands up today in 2020. Black men who put together excellent or great college careers in the 1970s, 1980s, 1990s, and decades thereafter-----especially from the 1970s to the early 1990s-----had to put up with the unwritten rule that they weren't smart enough, tall enough, or white enough to be given a chance to play quarterback in the NFL.
