Rat Dissection - Katy Independent School District

The title is : Maps and guide to micro-dissection of the rat brain. If you would prefer videos as suggested by Ramirez-Franco, Jove is a good place to look. Take a look at these as well:

How to micro dissect the brain of rat and mouse?

Place the rat on its back, on a dissection pad, and stretch out and pin the four limbs to the pad. Start the dissection by removing the skin. Using forceps to lift the skin, carefully cut away with the scissors, take care not to cut too deep. Start at the top of the chest and cut towards the tail end, avoiding the genital area.
