### Re Visioning Psychology

This book is about soul-making. It is an attempt at a psychology of soul, an essay in re-visioning psychology from the point of view of soul. This book is therefore old-fashioned and radically novel because it harks back to the classical notions of soul and yet advances ideas that current psychology has not even begun t consider.

### Amazon.com: Customer reviews: Re-Visioning Psychology

In "Re-Visioning Psychology," James Hillman describes a new way of looking at psychological symptoms and pathology. He views them as giving one an opportunity to do "soul making." Interestingly, the original Greek term "psyche" means "soul." Thus, psychology should be the study of the soul, as psychological healing only begins ...

Young/Re-Visioning Psychology in the Writing Class 67 I further found that the insights of archetypal psychology provided a method and vocabulary to interpret the subtle dynamics of learning and teaching. It was abundantly clear that a classroom psychology that does not attend to the psychic drama of student lives remains superficial.

as a way of seeing, a way of imaging, a way of envisioning being human. His work is truly originary and involves a radical "re-visioning" of psychology as a human science. Hillman's roots are mostly classical, but in the service of retrieving what has been lost to psychology and, thus, in the service

mythologizing, and theologizing. "A re-vision of psychology," says Hillman, "means recognizing that psychology does not take place without religion, because there is always a God in what we are doing." Just the same, Hillman wishes neither to psychologize religion nor to redeem it: "Archetypal psychology's concern is not

In *Re-Visioning Psychology*, Hillman does say that what interests him is "a psychology of soul," but he immediately also says that what he bases that project on is "a psychology of image" (1975: xi). The very basis of Hillmanian psychology is the imagination.

### **Hillman Alone in Pursuit of the Imagination: Golden Calf ...**

Similarly Hillman concludes *Re-Visioning Psychology* by writing: "Though this has been a groundwork of irreplaceable insights, they are to be taken neither as a foundation for a systematic theory nor even as a prolegomenon for any future archetypal psychology" (229).

### **Soul-Making and Spiritual Cliche' Busting: James Hillman ...**

As Rich puts it, re-vision is "more than a chapter in cultural history: it is an act of survival." It is also a drive for self-knowledge, a refusal of self-destructiveness, and a radical critique of "how we have been led to imagine ourselves, how our language has trapped as well as liberated us; and how we can begin to see—and therefore live—afresh" (18).
