infections. Several years before that I had read Hulda Clark's description of her zapper and made a photocopy of the circuit and instructions. In about 1997 I began to use GSE as a nasal wash and spray. Several drops to an ounce of distilled water gave me incredible relief. The more irritating it was, the more my sinuses drained, and the better ...

Joseph Meyer. Under the heading of "Myrtle"(Bayberry) I read the following, "Powdered, it has been employed as a snuff, with good effect, in nasal congestions or catarrh." The powdered bark of the root is the part that is used as a snuff. The book did not tell how much to sniff so I had to experiment. I found that about 1/32-1/16 of
