While universalist internationalism underpins America's ethos in global and domestic politics, particularism and nationalism form the pillars of Russia's political stance. Russian nationalism is illiberal, and it unapologetically departs from the norms and conventions of the West. e.g., liberal democracy, or equal rights under the law.

Nationalism and Foreign Policy in Russia - Realist Review

The contributors to this book discuss the new conjunctions that have emerged between foreign policy events and politicized expressions of Russian nationalism since 2005. The 2008 war with Georgia, as well as conflicts with Ukraine and other East European countries over the memory of the Soviet Union, and the Russian interpretation of the 2005 French riots have all contributed to reinforcing narratives of Russia as a fortress surrounded by aggressive forces, in the West and CIS.

Russian foreign policy has fed domestic nationalism and pride has become a source of power for the Kremlin. Russia attempts to make inroads to the east as tensions persist with the West. As relations with the West remain tense for the foreseeable future, Moscow will attempt to develop stronger economic connections with Tokyo and Seoul, playing them off each other, and off Beijing, to its benefit.

Russian Nationalism Since 1856 | Council on Foreign Relations

It is easy to think of reasons that seem to favor the growth of some extreme nationalist movement—the feeling of humiliation following the breakup of the Soviet Union; the need to pursue an assertive policy vis-à-vis the former republics in defense of Russian interests and the presence of many millions of Russians abroad; the bad economic situation and the need to engage in unpopular reforms; the frequent impotence of the authorities in face of a breakdown of law and order; the fact that ...

Russian Empire - Russian Empire - Nationalism and reaction: When the War of 1812 began, the patriotic feeling reached its pitch. It was to be a Scythian war—a war of retreat. Time and space were to be the chief allies of Russia, whose military forces were between one-half and one-third the size of Napoleon's. Indeed, the deeper Napoleon penetrated into Russia's vast expanses the more ...

Russian Empire - Nationalism and reaction | Britannica

Russian nationalism, the Russian version of nationalism, promotes the celebration and appreciation of Russian culture and history, as well as Russian cultural identity and unity. Russian nationalism first rose to prominence in the early 19th century, and became closely related to pan-Slavism, from its origin during the Russian Empire to the Soviet Union and beyond.
