effective and ongoing self-evaluation in every school combined with more focussed external inspection, linked closely to the improvement cycle of the school. A simplified school improvement process, where every school uses robust self evaluation to drive improvement, informed by a single annual conversation with a school improvement partner to debate and

### A New Relationship with Schools: inspection and self ...

Compared with early inspections, there is now an increased focus on the contribution that school self-evaluation can make to the inspection process. However, it is clear from studies undertaken in recent years that there is a tension built into the inspection process: it is aimed at assuring accountability but also of ensuring development.

### Self-evaluation and Ofsted Inspection: Developing an ...

School self-evaluation is a collaborative, inclusive, reflective process of internal school review. During school self-evaluation the principal, deputy principal and teachers, under the direction of the board of management and the patron and in consultation with parents and pupils, engage in reflective enquiry on the work of the school.

### SCHOOL SELF-EVALUATION GUIDELINES 2016-2020

A strong emphasis on teacher evaluation for the continuous improvement of teaching practices within the school is one key link. Another lever is to involve teachers in school evaluation, in particular through conceiving school self- evaluation as a collective process with responsibilities for teachers.
