Strategic Management for Tourism, Hospitality and Events

Strategic management concepts. Strategic management is based around an organization's clear understanding of its

Access Free Strategic Management For Travel And Tourism

mission; its vision for where it wants to be in the future; and the values that will guide its actions. The process requires a commitment to strategic planning, a subset of business management that involves an organization's ability to set both short- and long-term goals.

What is Strategic Management, and Why is it Important?
