If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

Strategic Market Management David A

Aaker walks them through the strategic challenges created by the dynamic nature of today's markets. Strategic Market Management, 10th Edition emphasizes a customer perspective and the fact that every strategy should have a value proposition that is meaningful to the customers. Sections are included on energizing the business and how to overcome the barriers that powerful organization silos create to inhibit cooperation and communication.
