Position grade levels are usually governed by a set of compensation parameters described as a compensation grade level. Every position will have its own range of salary levels, from low to high. Additionally, there may be several layers of the compensation grades where the low, high and midpoint salaries vary from level to level.

Learn About Position Grade Levels

An overseer, also called a supervisor or a foreperson, performs a job title that entails providing instructions, guidance and orders to junior employees. At the same time, an overseer is held responsible for the work and actions of his subordinates. Overseers typically supervise factory, construction and other manual labor workers.
