The Real World - Season 13 - TV.com

A modern TV viewer would probably see little resemblance between the earliest television advertisements and the modern TV environment. From flat-screen HDTVs to small, flip-open screens, TV viewing has become part of everyday life, far removed from the luxurious event that watching television was in its earliest days. TV -- and the way we view it -- has come a long way from the days of small ...

How has the evolution of TV changed America? | HowStuffWorks

Virtually since the dawn of television, parents, teachers, legislators and mental health professionals have wanted to understand the impact of television programs, particularly on children.Of special concern has been the portrayal of violence, particularly given psychologist Albert Bandura's work in the 1970s on social learning and the tendency of children to imitate what they see.
