Welcome to the art of Craft. The Art of Craft was started in a small shop in Ash Vale in 1985 by Jane and originally sold just knitting yarn. Along came crafts, and she expanded to encompass all manner of crafting trends, including papercrafts, crochet, knitting, and beading. She then expanded into the larger premises in which you find us today.

The arts and crafts movement of the late 1800s focused on the importance of the handmade, particularly in response to rapid industrialization. While it didn't encompass a single style, it included furniture, architecture, wallpaper, textiles, home decor, and more. The focus: to create high-quality items that machines couldn't make the same way.

History and Origins of the Arts and Crafts Movement | Hunker

I've made handmade cards and boxes, folded origami, stamped, scrap-booked and anything that involves paper and intricate details. But a handmade crafts business isn't limited to paper crafts; you could quilt, knit, crochet, work with glass, sew, make pottery, basket weave, or any other kind of craft that is marketable and salable.

A handicraft, sometimes more precisely expressed as artisanal handicraft or handmade, is any of a wide variety of types of work where useful and decorative objects are made completely by hand or by using only simple tools. It is a traditional main sector of craft and applies to a wide range of creative and design activities that are related to making things with one's hands and skill, including work with textiles, moldable and rigid materials, paper, plant fibers, etc. One of the world's oldest

Handicraft - Wikipedia

Materials for the Arts accepts fabric and trim, paper, arts & crafts supplies, beads & jewelry, art books, paint, and more and distributes them to non-profit organizations and public schools across New York. Materials for the Arts prides itself on keeping materials out of landfills and putting them into the hands of those in need.
