### disney queue line survival guide

For now, Disney will use regular attraction queue and space guests out enough to allow them to keep a safe distance from each other. It was thought that Disney would likely use the virtual queue as a way to control crowds entering the attraction queues, which is especially important during this period where guests cannot be too close to each other.

### Disney Virtual Queue | How It Works Complete Guide

Once inside Disney's Hollywood Studios, open the app and enter the virtual queue for the attraction, if it is open. The downside of the virtual line for Rise of the Resistance is that it will almost certainly fill for the day for the foreseeable future. Today, on the opening day for the ride, the virtual queue filled for the day by around 9 a.m.

### Disney introduces virtual queueing at its newest attraction

Even with the addition of new features in the "scene one" (or queue line) for this Disney original attraction, it baffles the mind why this still has such a long line. There's a line from open to close, so the only way to really experience it without standing in such a horribly long line is to get a FastPass+!

It has activities, puzzles and trivia questions related to the attraction, as well as tips for avoiding long lines.

### Queues & Entrances in the Disney Parks - Walt Disney World ...

The queue helps elevate this attraction to Disney level. As you wind through the queue line, you walk past temples, little shops, statues, and ruins, and you really feel like you're entering a village in Asia.

### Top Ten Queues In Disney World - World Of Walt

Meanwhile, Disney can reduce line queues and keep people wandering the parks, where they're more likely to spend money. Does Any Ride Use Virtual Queuing Exclusively? Many of you already know the answer to this question. Star Wars: Rise of the Resistance garnered headlines when it opened at Disney's Hollywood Studios and, later, Disneyland.

### How Will Virtual Queuing Work at Disney Parks ...

As patrons wait in line for Space Mountain or any other ride, Disney characters parade the line, shaking hands, and snapping pictures with those in queue. These are interactive queue lines. So that, waiting in line becomes an experience of its own. Disney knows to take visitors' minds off the queue and put it on to something else.
