The Fish Can Sing

The fish can sing just like a bird, And grazes on the moorland scree, While cattle in a lowing herd Roam the rolling sea. Starting from this Icelandic paradox put in verse, Halldór Laxness weaves an enchanting tale on the outskirts of Reykjavík, in a time when the price of a Bible was equal to that of a heifer and people still tried to cure headaches by smearing their faces with warm cow-dung.

The Fish Can Sing does not have the breadth of Halldór Laxness' great classic Independent People, but it is a witty, light-hearted, and highly enjoyable novel. The episodic structure, first-person narrative, and child's perspective are reminiscent of Dickens, but Halldór Laxness has his own distinctive humour.

THE FISH CAN SING | Kirkus Reviews

The Fish Can Sing is set in early twentieth-century Iceland, the narrator Álfrímur describing life in the quaint backwoods of Brekkukot. It is a Bildungsroman of sorts, as he describes his childhood and adolescence, and must eventually decide on what to do with his life (and whether he can (or should) leave the comforts of the simple life ...

The Fish Can Sing is an odd little novel about a talented yet humble young man in Iceland. Laxness paints a broad canvas here before settling into the novel's plot; we learn countless small details of everyday life in a small Icelandic village, nearby the capital that is itself a tiny blip on the world map.
