The Genesis Of Point Set

As the author says in the preface, this book is about mathematical ideas that gave birth to General (Point-Set) Topology. It starts with Leibniz and Newton and ends with Hausdorff. Also, as the author points out, this book is about the history of the ideas, not the mathematicians who gave these ideas.

Genesis point is a military base for the Devils on Shavarath. Your job is to cripple one of the four functions of the base. If you read the information given by the Yugoloth at the beginning of the quest, he will give you the walkthrough of what you need to do, but I will streamline it here and give a few tips.

Genesis Point - DDO wiki

A set consists of a number of games (a minimum of six), which in turn each consist of points. A set is won by the first side to win 6 games, with a margin of at least 2 games over the other side (e.g. 6-3 or 7-5). If the set is tied at six games each, a tie-break is usually played to decide the set. A match is won when a player or a doubles ...
