The Horse Agility Handbook has all you need to get started in the sport, including lessons in handling and body language, directions for obstacle and course construction, and information for managing competitions and "play days."

The Horse Agility Handbook: A Step-By-Step Introduction to ...

Description. The Horse Agility Handbook starts right at the beginning explaining WHAT makes a horse the animal that he is, WHY he behaves differently from humans, and HOW to get his attention before starting training over agility obstacles. Respecting him for being a horse but keeping safety in mind at all times, the attitude of the handler and how to change the attitude of the horse is discussed, as is being patient and giving the horse TIME to learn.
