The Human Side Of Enterprise

The Human Side of Enterprise is the work that first presented Theory X and Theory Y. These are not management theories; but underlying assumptions about human behaviour. They are also not extremes on a continuum - they are mutually exclusive.

The Human Side of Enterprise by Douglas McGregor

The Human side of enterprise is a forgotten landmark in the history of management-research and thinking, which is very surprising considering it clearly provides an explanation for the pitiful state we find within many organisations today.

The Human Side of Enterprise, Annotated Edition: McGregor ...

The human side of economic enterprise today is fashioned from propositions and beliefs such as these. Conventional organization structures, managerial policies, practices, and programs reflect these assumptions.
