"The Internationale" (French: "L'Internationale") is a left-wing anthem. It has been a standard of the socialist movement since the late nineteenth century, when the Second International adopted it as its official anthem. The title arises from the "First International", an alliance of workers which held a congress in 1864.The author of the anthem's lyrics, Eugène Pottier, an anarchist ...

The International Style is often thought of as the "architecture of the machine age," which symbolized for many the crystallization of modernism in building design. This became particularly true after World War II, when the postwar economic building boom made the International Style a kind of "unofficial" American architecture.
