The Orton Diaries

The Orton Diaries, written during his last eight months, chronicle in a remarkably candid style his outrageously unfettered life: his literary success, capped by an Evening Standard Award and overtures from the Beatles; his sexual escapades - at his mother's funeral, with a dwarf in Brighton, and, extensively, in Tangiers; and the breakdown of his sixteen-year "marriage" to Halliwell, the relationship that transformed and destroyed him.

When Joe Orton (1933–1967) wrote those words in his diary in May 1967, he was being hailed as the greatest comic playwright since Oscar Wilde for his darkly hilarious *Entertaining Mr. Sloane* and the farce hit *Loot*, and was completing *What the Butler Saw*; but less than. "To be young, good-looking, healthy, famous, comparatively rich and happy is surely going against nature."

Orton's diaries show us his ruthless and observant eye for telling detail, and an ear attuned to the absurd conversations of life. The comic vision of the diaries confirms the sources for his plays in real life. The diaries have nearly daily entries, many substantial; they have been meticulously edited and annotated by Lahr.
