The Peace of Illusions may be the most important book on America's security strategy published in the last decade. Layne accomplishes three difficult feats, when achieving even one would have been impressive. He provides a controversial yet well-documented interpretation of U.S. grand strategy since the end of the 1930s.

The Peace of Illusions (□□)

Since the end of the Cold War, most U.S. policymakers have been beguiled by a set of illusions about the world order. On critical issues, they have seen the world as they wish it were and not how it really is. President Donald Trump, who is not a
