### The Pet Goat

"The Pet Goat" is a grade-school level reading exercise composed by American educationalist Siegfried "Zig" Engelmann. It achieved notoriety for being read by US President George W. Bush with a class of second-graders on the morning of September 11, 2001. After being discreetly informed of the September 11 attacks midway through the reading, Bush waited quietly for the reading to finish before dealing with the unfolding crisis. The episode figures prominently in the retrospective assessment of B
