The Playboy Interview
The interview of Bertrand Russell was printed in March 1963. I have admired Russell for years. Nevertheless, he seemed a bit cranky when he said of the United States and the Soviet Union, "They both have abominable systems." However, in 1963 Russell's main concern and the topic of most of the interview was the danger of nuclear war.

This list of people in Playboy 1960-69 is a catalog of women and men who appeared in Playboy magazine in the years 1960 through 1969. Note that not all of the people featured in the magazine are pictured in the nude.. While every month included a centerfold, interviews and cover models did not become an almost-regular feature until autumn 1962.
