This book is exactly what it claims to be. A pocket guide to action. It contains brief distillations of what I'd say is the best stuff from Stoicism, investment philosophy, and personal improvement. You know, all the timeless advice (that applies across most areas of life) and bears long-term reflection.

Pocket joinery can be used for any size project, whether you're making a simple picture frame or a door. While pocket holes are usually made using a guide jig so the holes are uniform, you can also drill the holes freehand. No matter how you make the pocket holes, you'll need to change the settings on your drill.
