The Policy Paradox

Since its debut, Policy Paradox has been widely acclaimed as the most accessible policy text available. Unlike most texts, which treat policy analysis and policy making as different enterprises, Policy Paradox demonstrates that "you can't take politics out of analysis." Through a uniquely rich and comprehensive model, this revised edition continues to show how real-world policy grows out of differing ideals, even definitions, of basic societal goals like security, equality, and liberty.

Details about Policy Paradox: Policy making is a political struggle over values and ideas. By exposing the paradoxes that underlie even seemingly straightforward policy decisions, Policy Paradox shows students that politics cannot be cleansed from the process in favor of "rationality."

Policy Paradox The Art of Political Decision Making 3rd ...

Policy Paradox shows that problem definition is not a cut-and-dried process, but is determined by parties with a vested interest in presenting the problem in a certain light. By using various examples from previous policy decisions, Stone clearly demonstrates that policy results from biased (although not necessarily negatively biased) opinions.

The new edition of Zachary Smith's The Environmental Policy Paradox is a masterful compilation of social, economic, legal, and political matters pertaining to environmental policy: important statutes and policies, movement history, deliberations on current issues like the Keystone XL pipeline and the Paris agreement, and more local issues like land use management.

The Environmental Policy Paradox by Zachary A. Smith ...

In the polis, the concepts of equity, efficiency, security, and liberty are continuously constructed. Rather than giving a single answer to a policy problem, the general definitions provide a battleground for more particular fights. In a paradoxical way, these concepts unite people at the same time as they divide.
