The Power Elite

The Power Elite is a 1956 book by sociologist C. Wright Mills, in which Mills calls attention to the interwoven interests of the leaders of the military, corporate, and political elements of society and suggests that the ordinary citizen is a relatively powerless subject of manipulation by those entities.

The Power Elite - Wikipedia

His concept, “power elite,” refers to the interlocking interests of elites from three key aspects of society—politics, corporations, and the military—and how they had coalesced into one tightly knit power center that worked to reinforce and steward their political and economic interests.

C. Wright Mills' Book "The Power Elite"

First published in 1956, The Power Elite stands as a contemporary classic of social science and social criticism. C. C. Wright Mills examines and critiques the organization of power in the United States, calling attention to three firmly interlocked prongs of power: the military, corporate, and political elite.
