The Price of Civilization – Economics and Ethics After the Fall Jeffrey Sachs, Random House, 2011

Sachs says, “Much of this book is about the social responsibility of the rich” and about society’s shared values and the need to plan ahead to achieve common goals. The book is also a diagnosis of the failure of the American economy to achieve society’s common goals since the 1970’s and makes recommendations for future economic reforms.

n Civilization and its Discontents Sigmund Freud offered the insight that an immense amount of repression is the price humanity has to pay for its civilization. Using that profundity as point of departure one can argue that civilization demands a certain 'economy of pleasure' and that this economy is ensured by an apparatus constitutive of institutions of both moral and juridico-political law.
