The Providence Of Fire

The Providence of Fire, the 2nd book in The Chronicle of the Unhewn Throne trilogy was one of Goodreads nominee for best fantasy in 2015 and it's for a good reason. Almost everything in the book, starting from plot progression, character development, actions, climax scenes, pacing and world-building are better than the first book in the series.

The Providence of Fire (Chronicle of the Unhewn Throne ...

The Providence of Fire is everything I wanted from a sequel and more. This definitely took pretty much all the slight problems I had with the first book and rectified it. Although this book did suffer from a roughly slow start, once we got about a 1/3 of the way through it took off at a break neck speed.

About book The Providence Of Fire (2000) A very good sequel to a very good book. The author has a solid writing style which is mixed with some fairly good world-building; nothing exceptional but it has to be pointed out that the focus is largely on the various conflicts, with the narrative rarely pausing to make time for us to explore the world. This is both Staveley's strength and biggest weakness within the novel.
