THE SECRET OF OUR SUCCESS

Tracking clues from our ancient past to the present, The Secret of Our Success explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

The Secret of Our Success | Princeton University Press

The Secret Of Our Success by anthropologist Joseph Henrich manages to be an amazing book anyway. Henrich wants to debunk (or at least clarify) a popular view where humans succeeded because of our raw intelligence. In this view, we are smart enough to invent neat tools that help us survive and adapt to unfamiliar environments.
