### The Story Of Salt

Based on Mark Kurlansky's critically acclaimed bestseller Salt: A World History, this handsome picture book explores every aspect of salt: The many ways it's gathered from the earth and sea; how ancient emperors in China, Egypt, and Rome used it to keep their subjects happy; Why salt was key to the Age of Exploration; what salt meant to the American Revolution; And even how the search for salt eventually led to oil.

### The Story of Salt: Kurlansky, Mark, Schindler, S. D ...

The Story of Salt would make a great addition to the nonfiction shelf of any school or classroom library as it touches on science, social studies, geography, and economics. The Story of Salt was illustrated by S.D. Schindler using painterly media. The illustrations complement the text especially in the depictions of human interactions with salt.

### The Story of Salt by Mark Kurlansky - Goodreads

Salt, also referred to as table salt or by its chemical formula NaCl, is an ionic compound made of sodium and chlorine ions. All life has evolved to depend on its chemical properties to survive. It has been used by humans for thousands of years, from food preservation to seasoning. Salt's ability to preserve food was a founding contributor to the development of civilization. It helped to eliminate dependence on seasonal availability of food, and made it possible to transport food over large dist
