The Trouble With The Congo

The Trouble with the Congo suggests a new explanation for international peacebuilding failures in civil wars. Drawing from more than 330 interviews and a year and a half of field research, it develops a case study of the international intervention during the Democratic Republic of the Congo's unsuccessful transition from war to peace and democracy (2003-2006).

The Trouble with the Congo - Séverine Autesserre

During the previous decade, Congo had been ravaged by widespread violence, including the world's deadliest conflict since World War II -- a conflict that involved three Congolese rebel movements, 14 foreign armed groups, and countless militias; killed over 3.3 million Congolese; and destabilized most of central Africa.

The Trouble With Congo | Foreign Affairs

The Trouble with the Congo suggests a new explanation for international peacebuilding failures in civil wars. Local rivalries motivated widespread violence during the Congolese transition from war to peace. However, a dominant peacebuilding culture shaped the intervention strategy in a way that precluded action on local conflicts.

The Trouble with the Congo: Local Violence And The Failure ...

Poor sanitation is another major environmental and social issue facing DR Congo today. The overpopulation in the big cities and towns worsen the situation. Lack of good drinking water and water for domestic purpose remains another major problem facing DR Congo today.

Major problems facing DR Congo today

At once a gripping account of war and failed peace in the Congo and a strikingly lucid and original examination of the causes of peacebuilding failure in civil war, this book demonstrates why deep contextual knowledge remains an essential precondition of theoretical innovation."-Stathis N. Kalyvas, Yale University "Autesserre's book stands as a major contribution to our understanding of the roots of conflict in eastern Congo and the failure of the UN Mission in the Congo (MONUC) to ...
