The Tsi Engine Volkswagen International

If you've kept up with improvements to Volkswagen vehicles throughout the past few years, you've probably heard of Volkswagen TSI engines. So, what is Volkswagen TSI, exactly? The least complicated answer is that VW TSI engines are the gas equivalent of the TDI engine, offering higher performance with less fuel consumption. Drivers may be aware that their TSI engine is a gas Volkswagen engine, but they may not know how this engine offers advantages over other gas engines.
