Harassment ...

The feminist movement (also known as the women's liberation movement, the women's movement, or simply feminism) refers to a series of political campaigns for reforms on issues such as reproductive rights, domestic violence, maternity leave, equal pay, women's suffrage, sexual harassment, and sexual violence, all of which fall under the label of feminism and the feminist movement.

Reading: The Women's Movement | Sociology

As the movement to end anti-Black racism builds, we show up at this moment as a multi-racial, survivor-led collective poised to amplify the ways in which the movements to end sexual violence and racial violence are reliant upon one another. Survivors know how to transform systems and create a culture of accountability.
