Ultimate Sweater Machine Instruction Manual

Use the machine's latch tool, which looks like a crochet hook. Insert it into the last stitch that was bound off. Pull up a loop from the yarn tail through the first stitch. Insert the latch tool through this first loop and into the second stitch from the end, pulling up a loop from the yarn tail through the first loop. Repeat to the end of the row.

Machine Knitting Manuals and Documents | Free Downloads

Spray silicone to make sure the flat-bed machine's carriage passes over the needles easier. Always make sure there is an ample amount of yarn coming from the cone or ball or the carriage won't move. When starting to knit with a yarn machine, make sure you go slow to ensure the yarn hits all of the needles.

Knitting Machine Accessories - Allbrands

The knitting machine is great. Both my 8-year-old daughter and I love it. I can't say the same about the video and written material that comes with it: The video starts by telling you that you should use the machine after your kids are in bed. Well, you can image how my daughter felt, who had got the machine for her birthday!
