### Unsettled Subjects Restoring Feminist Politics

"The critical project of "Unsettled Subject" is both necessary and daring. It articulates the postmodern impasse for white feminism that deconstruction's destabilizing of the category 'woman' has generated and, through very thorough readings of modern American women writers, demonstrates how this impasse may be overcome."--Lora Romero, Stanford University

This article is a critique, first, of the theory of identity advanced by Judith Butler and many of the feminist critics of identity politics, and, second, of identity politics itself. I argue that Butler's rejection of the modernist subject for its opposite, the fictional, substanceless subject, is untenable.

Abstract. With this study of desire and signification in Chaucer's tales of sexual difference, I have sought to take the measure of an early modern delimitation of the subject: both the social subject of current gender studies and the psychic subject, one of desire. 1 In the tales I have examined, the insight and agency constitutive of the self coexist with lacunae in the language of self ...
