Undergraduate Admissions Application | UW College of ...

If you are placed into an engineering major and later decide you want to pursue a different engineering major, you will not be able to go through the placement process again. You will need to apply to the other engineering major through the competitive application process for transfer and non-ENGRUD students. If you decide you'd like to pursue another major at the UW, outside of the College of Engineering, you will need to follow that department's process for admission to that major.

Placement into an Engineering Major: ENGRUD Students who ...

Thank you for your interest in UW Engineering. If you are a UW student and have not been admitted to the College of Engineering, it's important to note that demand for engineering degrees far exceeds available space in classes; admission is not guaranteed and you should be prepared to pursue an undergraduate major outside of the College of Engineering.
