Wars of Necessity vs Wars of Choice - GlobalSecurity.org

Richard N. Haass' "War of Necessity, War of Choice" is different. It flows smoothly, is non-partisan, and avoids dwelling on the depressing aftermath of the 2003 invasion. It looks at the process by which America twice went to war with Iraq. Haass was a senior director on the staff of the National Security Council from 1989 through 1993.

Book review: WAR OF NECESSITY, WAR OF CHOICE By Richard N ...

War is a biological necessity of the first importance, a regulative element in the life of mankind which cannot be dispensed with, since without it an unhealthy development will follow, which excludes every advancement of the race, and therefore all real civilisation. "War is the father of all things", wrote Heraclitus.

A German writer on the necessity of war (1914)

Wars of necessity are just that, they're wars that governments undertake, usually when two conditions are met; one is when vital national interests are at stake, and two, when there's no other...
