What's Wrong With Ethnography? - Martyn Hammersley

...

As regards the relationship between qualitative and

Read Book Whats Wrong With Ethnography

quantitative approaches to social research, he questions the idea that ethnography represents a distinct epistemological or even methodological paradigm. Instead he suggests that ultimately it should be integrated into the mainstream of social research methodology.

What's Wrong With Ethnography? by **Martyn Hammersley**

One disadvantage of ethnographic research is that it can sometimes be difficult to gain access to and establish trust within a desired field site. It can also be difficult for researchers to dedicate the time required to conduct a rigorous ethnography, given limits on research funding and their other
