When your "Perfect Partner" goes perfectly wrong : loving ...

A simple gesture, facial expression, eye movement, or body posture can send a powerful signal to your partner that you don't value them, love them, or want them in your life. These vibes have the effect of a blow to the stomach. The more you repeat your behavior, the more you push your partner away. But you can't seem to help yourself.

6 Nonverbal Ways You Are Pushing Your Partner Away

While it can be hard to believe that your perfect partner is out there, especially when your dating and relationship experiences have been challenging, it's important to keep an open-mind while you strive to find your perfect partner. Otherwise, this belief will turn into a self-fulfilling prophecy, where your belief turns into the very thing ...

Your Perfect Partner is Out There - Collette Gee

Set some time of the day that will be your "visualizing time" (best times are when you wake up in the morning and right before you go to sleep, but you can choose your own), and count that the visualization should take between 20-30 minutes. Steps to visualizing meeting your perfect partner
