Now that you've gone through the paperwork and decided what stays, you'll need to create a system of organization for these papers and items so they don't end up cluttered again. To create a filing system, you're going to need a place to store files like a filing cabinet or file storage box, hanging files, manila folders, and labels.

Introduction. The structure of an organization is crucial because it can benefit or worsen the effective working of various departments of the organization, which has a direct impact on service delivery. For instance, a good structure would encourage and motivate workers by making them put in more effort that leads to the realization of the
